## CONFERENCE CALL

### International Toll-Free Rates

#### Reliable International Conferencing in a Global Economy

We offer competitive rates on toll-free service for more than 90 countries and U.S. territories. The rates below are for *toll-free* service. Alternatively, you can have international participants dial in to your domestic toll number. Under that scenario, your participants would incur their local carrier's international long distance charges but you would only pay the domestic toll rate for their minutes.
